## Benefits of the Climate-KIC Accelerator

We're looking for teams with scalable and technologically promising business ideas to join our Acceleration programme for climate innovation. We enable teams passionate about their cleantech solution to devote their time fully to their venture and scale up their business.

Teams accepted for the Accelerator will receive:

- Financing of up to €95.000 with no equity taken
- Support for up to 18 months
- Coaching, workshops, pitch opportunities, matchmaking with partners & investors
- Access to our exclusive European and international Climate-KIC network
- Depending on location, office space in an incubator with other startups

Eligible startups can also apply for the [Side Call](#) with [Munich Re and ERGO](#).

If you know of a team that would be a good fit for our Accelerator, you can nominate them by writing us or forwarding this email directly to the startup.

**The window for applications is from June 18<sup>th</sup> to July 29<sup>th</sup>.**

Thank you!

Your Climate-KIC DACH Accelerator Team
