

# **EU Techbridge New York – Applications for 1:1 Meetings are now open!**

## **Engage with North American end-users interested in your Cleantech Solutions**

EU Techbridge provides European **SMEs** with opportunities to **meet 1:1 with partners in the US and Canada** to explore the potential for business collaboration.

**We are pleased to announce that applications for 1:1 meetings with Urbs, ConEdison and the City of New York are now open! Applications will close on February 15th, 2021.**

To apply for the 1:1 meetings, follow these simple steps:

1. **Join** our EU Techbridge Platform on **SOLVED**, a digital platform to build a community of EU SMEs interested in the North American market. Here we will upload news, events and specific project opportunities in which you can request to join. If this is your first time on the digital platform you will need to create a profile.  
**Join the EU Techbridge community [here](#).**
2. **See detailed descriptions of the challenges and opportunities [here](#).** Request to join the group(s) to start interacting with other interested SMEs and to keep up with updates from the end-users!
3. **Fill the [application form](#)** that you will find on each opportunity page, present your innovative solution and hit “send”. You can be selected to pitch your solution to the relevant end-user and engage in new business opportunities in the North American market!
